REMARKS

Claims 1-4 and 8-18 are pending. By this Amendment, the specification and drawings are amended.

The Office Action disapproved proposed drawing corrections of March 24, 2004. Attached hereto is a new Request for Approval of Drawing Corrections that addresses the concerns raised by the Examiner. Upon approval, Applicants will submit new formal drawings.

The Office Action objected to the Amendment filed March 24, 2004 as allegedly adding new matter. The specification has been amended to delete the added matter that was objected to.

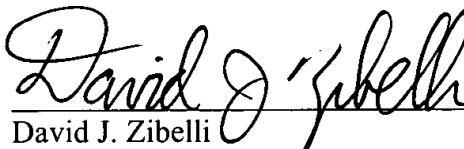

For at least the above reasons, it is submitted the application is in condition for allowance. Prompt consideration and allowance are solicited.

The Office is authorized to charge any fees due for this application under 37 C.F.R. §§ 1.16 or 1.17 to Deposit Account No. 11-0600.

Should there be any questions concerning this matter, the Examiner is invited to contact Applicants' undersigned attorney at the telephone number listed below.

Respectfully submitted,
